Sorry,

Jan is out of town till Wednesday and I do not know the password. How shall we proceed?

Martin

Please see a revised version of Amendment Two dated November 1, 2002 for the above referenced study. Please delete all versions of the October 31, 2002 sent yesterday.

Ortrun--Please review item #20 to see if it addresses the concern you spoke to me about this morning as I am not completely sure I understood the request.

Thanks,
